June 2024

**Purposeful Teaching with Ocean and
Sea Themes**

4 Clock Hours of Early Childhood Education

Reg. \$38.00 * Sale \$20.00

This course is designed to equip early childhood educators with innovative strategies to incorporate the fascinating world of marine life into their teaching practices. Participants will gain a deep understanding of the importance of thematic learning in early childhood education and learn how to make cross-curricular connections.

Sale price is available on enrollments June 1 – 30, 2024

July 2024

**Strategies for Integrating Nature into
Your Program**

4 Clock Hours of Early Childhood Education

Reg. \$38.00 * Sale \$20.00

This course aims to infuse the learning environment with the richness of the natural world. Recognizing the profound impact that nature has on a child's development, the course offers a suite of practical strategies that educators can employ to seamlessly weave natural elements and experiences into their daily curriculum.

Sale price is available on enrollments July 1 – 31, 2024

August 2024

Butterflies, Bees and Ladybugs,
Oh My!

3 Clock Hours of Early Childhood Education

Reg. \$28.50 * Sale \$15.00

Young children are naturally curious and often fascinated by these creepy crawlies in their surroundings. The world of bugs unveils a wealth of learning opportunities - from understanding the magical process of metamorphosis, to the vital role of bees in pollination, and even the astounding fact that insects outnumber the rest of the animal kingdom!

Sale price is available on enrollments Aug. 1 – 31, 2024

September 2024

Embracing Earth:
The Educational Power of Mud Play

3 Clock Hours of Early Childhood Education

Reg. \$28.50 * Sale \$15.00

This course immerses you in the dynamic and captivating realm of mud play, underscoring its pivotal role in promoting physical, cognitive, and emotional development in young children. You will acquire practical strategies to seamlessly incorporate mud play into your curriculum, while maintaining a safe and nurturing environment.

Sale price is available on enrollments Sept. 1 – 30, 2024

October 2024

**Play-Based Learning with Ramps and
Tunnels**

3 Clock Hours of Early Childhood Education

Reg. \$28.50 * Sale \$15.00

Explore the educational power of ramps and tunnels, from enhancing motor skills to introducing foundational concepts in physics and engineering. The course emphasizes inclusive practices, ensuring that every child can participate and thrive in play-based learning.

Sale price is available on enrollments Oct. 1 – 31, 2024
